

“FARM FAIR”
MISSION AND VISION STATEMENTS.

MISSION STATEMENT

“Farm Fair” is an education program for fourth grade elementary school students conducted as an all-day program, at an on-ranch location, offering students, teachers, and school administrators, hands-on lessons about production agriculture, agriculture economics, agriculture science, animal science, environment management and exposure to careers in agriculture related fields.

VISION STATEMENT

“Farm Fair” will continue providing an annual education program, held annually, organized and administered by volunteer Coordinators for elementary school students and their teachers conducted by professional volunteer instructors about basic agriculture, food production, and stewardship of our land and water.
